

## Town of Kirkland Lake Town Engineer, Manager of Public Works & Engineering Services

The Town of Kirkland Lake is seeking an experienced engineer to join the senior management team and oversee the civil, building and environmental infrastructure of the town. The position is responsible for both the operations and maintenance and capital works programs and unique to our town, additional oversight of the municipal airport. This includes:

- Roads & sidewalks,
- Buildings & structures,
- Water distribution, wastewater collection, stormwater management, landfill operations,
- Oversee the administration of third party contracts for solid waste collection, water & wastewater treatment and all capital infrastructure projects,
- Municipal airport operations & maintenance,
- All capital construction project planning and administration,
- Administration of both the capital works program budget and asset management plan.

As a licensed engineer, you bring your experience in both supervising management-level staff and hands-on project management of public infrastructure projects with you. In addition, you have strong presentation, communication and writing skills and are able to articulate technical language into practical terms for elected officials and community members to understand.

Salary range is between \$91,444 – \$109,105 and in addition the town offers generous health & dental benefits, participation in the OMERS pension plan and a healthy work-life balance vacation entitlement.

If you think you are qualified and appreciate the natural beauty and the low cost of living in northeastern Ontario, please apply in confidence **by 4:00 p.m. Friday, 22 September 2017** to:
