8. **Questions from Council to Staff**

*Would it be possible to have OCWA release the last 3 months water testing statistics at our next council meeting? Not the full report for the year they've recently given us, but just a snap shot of the last few months with their results? There seems to be some concern about people's hair falling out more than normal, I would like to put resident's minds at ease that our water is not the issue.*
9. **Notice(s) of Motion**
