NOTICE OF SERVICE DISRUPTION  
Upcoming Repairs at the  
Museum of Northern History

Please be advised that site work will commence at the Sir Harry Oakes Château (2 Château Drive) starting on Monday, July 8, 2024. This project is part of the Ontario Heritage Trust (OHT)'s **“Stabilization and Rehabilitation Project”** and may intermittently disrupt services or access throughout the summer months.

During these renovations, the Museum of Northern History will remain open to the public. Temporary elevator closures or alternate entrance use may occur as certain areas of the building/property are repaired. For real-time updates please follow the Museum's Facebook Page <https://facebook.com/museumkl>.

To ensure the safety of our community members, we kindly request the public to respect the worksite and boundaries until the completion of the project. We apologize for any inconvenience this may cause.

When:	Starting Monday, July 8, 2024
Why:	Ontario Heritage Trust (OHT) Stabilization and Rehabilitation Project
Where:	Museum of Northern History 2 Chateau Drive, Kirkland Lake

## BEARS & GARBAGE

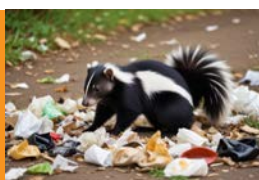

Residents are reminded that at this time of year there is a higher potential for black bear sightings in your neighbourhoods.

The Ministry of Natural Resources and Forestry (MNR) cautions that at this time of year, natural food sources for bears can be scarce, so bears are seeking other available food sources (attractants), some of which may be available on or near your property. It is recommended that residents reduce attractants on or near residential properties by:

- Storing garbage properly and putting it at the curb for pick-up in the morning of collection day.
- Do not miss collection day.
- Removing all bird feeders during foraging period.
- Do not place sweets or meats in outdoor composters.
- Freeze meat scraps until day of garbage pickup to help eliminate the smells.
- Clean BBQ after every use to eliminate food odors.

GARBAGE  
ALSO  
ATTRACTS  
NUISANCE  
CRITTERS

**THIS NOTICE IS TO EDUCATE RESIDENTS TO REDUCE THE LIKELIHOOD OF BEAR SIGHTINGS. THE TOWN OF KIRKLAND LAKE AND THE MNR APPRECIATES YOUR SUPPORT.**

A well maintained property meets the following standards

- Nuisance (junk) vehicles are in an enclosed building.
  - Windows do not have cracks or breaks that allow moisture inside.
  - Trees and shrubs are alive and show no signs of disease, and do not interfere with pedestrian and vehicular traffic
  - Roof is clean and all shingles are intact and in good condition. Material does not allow leaks and has proper ventilation.
  - Chimney bricks and mortar are intact with no cracking.
  - Exterior doors properly lock. Materials used are sealed from weather and provide protection from leaks.
  - Handrail, guardrail, and stairs provide safe, stable access for routine and emergency use.
  - Siding is properly painted for weather protection and has no missing sections.
- Soffit and fascias are properly installed for weather protection, free from loose, unsecured or missing sections of material.
  - Gutters are clear of debris and allow roof drainage.
  - Accessory buildings (e.g. detached garage) meet the same quality conditions as the main structure.
  - Plants are cultivated and do not provide harborage for rodents.
  - Fences provide no safety hazards and are properly supported.
  - Property/yard is free of excess garbage, debris, and animal feces.
  - Grass is cut below 8 inches tall.
